

What should I already know?

A compass is a tool for finding direction.
I live in a town called Ellesmere Port.
Maps help you to find your way around.

Knowledge

An aerial view helps to see a large space.

Cheshire Oaks and Stanlow Oil are landmarks in Ellesmere Port.

Geography - Year 2

Autumn 1

Map Makers

Vocabulary:

aerial view	A view from above a place or object
key	A list of symbols on a map.
perspective	The way in which we view a place or object.
human features	Something that is man-made such as buildings and roads.
physical features	Something that has happened naturally such a river or mountain.

Skills

Ask simple geographical questions; Where is it? What's it like?
Follow a route on a map
Follow directions (North, East, South, West)
Begin to understand the need for a key.
Use class agreed symbols to make a simple key
Begin to spatially match places (e.g. recognise UK on a small scale and larger scale map)
Look down on objects to make a plan view/map
